How to Use This Directory

Accessing Services

Unless otherwise noted, services listed here do not require referrals from a case manager or other provider, and can be accessed by homeless persons directly. If a referral is required, shelter or transitional program residents should first request a referral from staff of that program; if no staff referral is available, contact one of the non-residence-based case management programs listed on page "Street Outreach, Non-Residence-Based Case Management, and Assistance Accessing Mainstream Resources" on page 15 for help.

Some listings specify whether programs serve only Cambridge (or Somerville) residents; note that persons staying in shelters or transitional programs or living on the street in Cambridge are deemed to be residents.

Organization

The main content of this directory is organized by type of service (see Table of Contents on page 1). However, the index on page 62 can also help you locate services that focus on a specific population/need, or that are in a specific neighborhood.

Disability Access

Listings which include a symbol are wheelchair accessible, according to the provider. However, these listings may not be accessible for all needs or disabilities. Additionally, some programs that this directory does not list as wheelchair accessibility may have various accessibility features. For the most accurate and specific information about a service's level and type of accessibility, please contact the provider directly.

For general information about the accessibility of municipal or City-funded services, or to request a copy of this directory in an alternative format to accommodate a visual disability, please contact the Cambridge Commission for Persons with Disabilities, located at 51 Inman Street, 2nd floor; telephone number 617-349-4692 (voice) or 617-492-0235 (TTY/TDD).

Addresses and Directions

Addresses that are not in Cambridge list the city in bold (for example, **Somerville** or **Boston**). If no city is listed, the location is in Cambridge.

Note: Make sure to check what city a location is in, before going! Many of the same street names are shared between Cambridge, Boston, Somerville, and other neighboring communities: for example, Broadway, Albany Street, Washington Street, etc.

Entries in the directory with an address also display the closest transit connections. (Train) stops and bus routes listed are typically within a one-third mile walk of the location. Locations (particularly in Boston) may be served by more transit than is listed; those listed here are particularly oriented towards stations and bus routes served by the **Red** and **Green** lines, the two rapid transit lines with service in Cambridge.

For more information on getting around, see page 53.

Overview of Services to Prevent and Address Homelessness in Cambridge

Cambridge houses a diverse array of services designed to help prevent homelessness or to serve individuals or families who have become homeless. The following overview is offered to help steer the reader to the most appropriate service.

Prevention services include assistance in helping individuals whose tenancies (or mortgages) are at risk of coming to an end because of legal or financial problems. The City's **Multi-Service Center** is the largest provider of prevention services (as well as an important source of services for people who have become homeless).

Shelters provide emergency housing for individuals and families who no longer have a place to

call home. Five types of shelter serve different segments of the homeless population: families, battered women (with or without children), homeless/runaway youth, sober adults, and adults with an active substance abuse problem.

Each shelter has its own rules for eligibility and access. Most shelters for individuals have a mix of short-term "emergency beds" (stays of 3-14 days, depending on the program) and "extended-stay" or "contract" beds (stays of several weeks or months, depending on the program). Typically, the longer-term beds are offered to guests who are employed or have otherwise demonstrated their commitment to ending their homelessness, and who are therefore seen as most likely to benefit from the stability of a longer-term bed.

Transitional Housing programs offer 6 to 24 months of residential stability (depending upon the program) and on-site case management and related supports to homeless persons who are actively working towards ending their homelessness.

Drop-in programs provide a safe place where homeless persons can go during the daytime, whether to simply get off the street or to access supportive services. Because shelters for individuals are typically only funded for overnight services (from dinner time to breakfast the next morning), such drop-in programs fill an important gap in services.

Street outreach services reach out to homeless persons living on the street (or in parks, cars, etc.) in hopes of linking them to more extensive services.

Case management – individualized assistance with developing and implementing a plan for ending one's homelessness – is available from residence-based staff for all transitional housing program residents, all family shelter residents, and residents of some shelters for individuals. Non-residence-based case management is available to help other homeless persons.

Various programs target specific segments of the homeless populations: **veterans**, persons with **mental illness**, persons in recovery from **substance abuse** or other addiction, persons with **HIV/AIDS**, and individuals and families who have been rendered homeless in fleeing **domestic violence**. Some programs serve only homeless persons, while others serve the general population.

A variety of specialized programs provide specific services that homeless persons might need, including:

- Food, clothing, and health care services (including mental health care, dental care, and eye care)
- Housing search and post-placement stabilization (help finding and keeping an apartment)
- Education and training
- Employment assistance
- Legal assistance

- Child care and family support services
- Cash assistance (for moving or other needs)
- Assistance with money management, including representative payee services
- Access to computers and computer instruction
- Other services (e.g., identification, income tax assistance, etc.)

All of the following shelters, except for CASPAR's Emergency Service Center at 240 Albany Street, require guests to be sober. They also require that guests reserve their beds, in some cases as early as 7:30am. Beds fill quickly, especially in cold or bad weather.

Always call first when possible. Note that by individual arrangement, some shelters are able to offer emergency beds on an extended basis to a limited number of guests who meet shelter-specific criteria. During extreme weather events, as well, shelters are sometimes able to accommodate extra guests on an emergency, no-reservation basis.

(**Shelter for Homeless Individuals** section continues on the following page.)

If Cambridge shelters are full:

Among shelters in Cambridge, the Salvation Army and CASPAR's Emergency Service Center have the greatest ability to stretch their capacity to accommodate unsheltered persons placed at heightened risk by extreme winter weather.

Some of the larger shelters in Boston are able to accommodate significant numbers of otherwise unsheltered persons who would be at risk by such extreme weather.

CASPAR's FirstStep Street Outreach Team (617-592-6895, weekdays from 8am to midnight) will have updated information about the availability of beds in Cambridge shelters, and can provide assistance to unsheltered individuals in accessing beds in Cambridge, or, if none are available, in Boston. The CASPAR FirstStep vehicles do not have wheelchair lifts; however, staff can help arrange (but cannot guarantee) alternate transportation for persons whose mobility disabilities prevent them from stepping into the vehicles.

17 Court Street, **Boston**; State or Downtown Crossing 617-248-9400 http://nechv.org

Offers a range of services for homeless and at-risk veterans, including emergency and extended stay shelter, meals, case management, assistance accessing public benefits (such as SSI) and benefits for post-9/11 veterans (see list at end of section), legal assistance, eyeglasses, dental care, addiction services, services for veterans with PTSD (post-traumatic stress disorder), transitional and permanent housing, and employment.

6 City of Cambridge Department of Veterans' Services (DVS)

51 Inman Street, 2nd floor; Tentral 617-349-4761

http://www.cambridgema.gov/vet

Helps **eligible Cambridge-based veterans** and their dependents (spouse, widow or widower, estranged spouse, dependent child) access state or federal benefits. (Note: a dependent who has fled abuse by an eligible veteran can ask the DVS to process their benefits application without alerting the veteran.)

For the purpose of qualifying for state or federal benefits, **wartime veterans** are defined as **honorably discharged vets who served at least 90 days** (or less if due to service-related injury) in World War II, Korea, Vietnam, Panama, Grenada, or the Persian Gulf conflict (from 9/1/90 to the present). Activated Reservists who served at least 90 days in a war zone also qualify. Massachusetts state law establishes eligibility for **peacetime veterans** as **honorably discharged persons who served at least 180 days** from 1/1/47 to 6/24/50, or 5/8/75 to 8/1/90, or were activated in the Massachusetts Guard for Homeland Security.

To receive *state* benefits through DVS, a veteran must prove **Cambridge residency** (home, shelter, etc.). Eligibility for *federal* benefits varies by benefit; in addition to any income/assets limits, eligibility may be based on type and era of military service, extent of any disability (and degree of service-relatedness), willingness to seek substance abuse treatment, reason for unemployment, etc.

DVS can help veterans and their dependents obtain a **copy of the veteran's discharge papers**, and can assist vets in upgrading a discharge to qualify for benefits. DVS can also help veterans and their dependents access:

- Emergency cash assistance for food, clothing, shelter (to prevent eviction or foreclosure, or to help with transition from homelessness to housing), utilities, personal needs, health insurance, telephone, and transportation
- Service-related and non-service-related **disability pensions**

- A small monthly stipend (\$175/month) available to homeless, sheltered veterans who are (a) able to work and in job training or registered with Career Source and willing to take any available employment, (b) in need of substance abuse or mental health care, and in or actively seeking appropriate treatment, or (c) unable to work, and interested in cooperating with DVS in applying for disability benefits; on a case-by-case basis, DVS may award benefits to veterans with criminal records, based on their demonstrated commitment to rehabilitation
- Inpatient and outpatient **health care**, including coverage of medical, dental, and hospital care
- Survivor and/or burial benefits
- Education benefits: veterans enrolled in a degree program in a public college or university can get free tuition; more extensive benefits are available only to veterans with a service-related disability, pre-1990s veterans within 15 years of their discharge, and post-1990s veterans who paid into an education fund while in the military

Post-9/11 veterans are eligible for a Massachusetts cash bonus and for increased federal benefits under the Post-9/11 GI Bill. The DVS can help with all of these benefits. You can also apply online for federal benefits at www.gibill.gov. For assistance, call 888-442-4551.

For veteran-focused **job training** and **vocational rehabilitation**, see the entry for the Veterans Training School on page 40.

Miscellaneous Services

Getting a Massachusetts ID

You do not need to be able to drive to get an official Massachusetts ID card. You can get this identification card at the Registry of Motor Vehicles (136 Blackstone Street, **Boston**; near Haymarket Station). It is necessary to bring separate documents proving: (a) date of birth, (b) signature, and (c) Massachusetts residency. Residency can be established by bringing a letter on shelter (or other residential program) stationery, signed by a case manager, stating the homeless individual's name and social security number, indicating where she or he is staying, affirming his or her homelessness, listing other IDs she or he has, and stating that the case manager knows this person well enough to attest to the facts of the letter.

People lacking the usual proof of identity can get an unofficial picture ID on Monday, Tuesday, Wednesday, Thursday, and Friday from 10 to 11am at St. Francis House (39 Boylston St, 4th floor, **Boston**, **Boylston** or **Downtown Crossing**; call 617-654-1257). A St. Francis ID with accompanying letter from staff, letter from a shelter or transitional program, and the required \$25 fee, may be adequate to obtain a Massachusetts ID from the Registry of Motor Vehicles.

Ex-Offender Services

Span, Inc. (105 Chauncy Street, **Downtown Crossing**, or **Chinatown**; 617-423-0750) offers a range of support for ex-offenders, including help with housing and employment, reintegration counseling, substance abuse and HIV/AIDS services, peer support, and a drop-in center. Some assistance may be time-limited, based on the date of release from prison.

Free Cell Phone Service

Through SafeLink Wireless's Lifeline Service you can receive a **free** wireless phone and 80 minutes of talk time every month. To qualify, you must prove participation in one of the following public programs: EAEDC, SSI, Fuel Assistance, SNAP (food stamps), MassHealth, or TAFDC, and you must provide a valid street address (not a PO box). Apply online at <u>www.safelinkwireless.com</u>.

Voicemail Service

Ask your shelter or housing provider if they still have Project Connect voicemail boxes to distribute. The following providers can offer voicemail boxes to homeless clients who can't get voicemail from their shelter or residential program: Youth on Fire (for youth only; see page 11), On The Rise (for women only; see page 12), and Heading Home (based at the Multi-Service Center, 362 Green Street, Central; call 617-349-6337 for information). You can also use Google Voice (free; visit online at www.google.com/voice) or search online to find other vendors offering free/low-cost voicemail accounts, although these may not necessarily have a local area code.

Free Income Tax Assistance

Available from mid-January to mid-April from LIFT (617-591-9400; see page 16), and at the Cambridge Economic Opportunity Committee (617-868-2900; see page 53). Assistance is also available on a more or less weekly basis from VITA volunteers visiting the Cambridge Public Library's Main Branch (617-349-4040; see page 34) and Central Square Branch (617-349-4010; see page 34), and at East End House (617-876-4444). **All tax-filing assistance is by appointment.**

Getting Involved

People who are currently or formerly homeless in Cambridge are invited to participate in meetings of the Homeless Services Planning Committee (HSPC), which meets from 9 to 10:30am on the second Thursday of every month in Central Square.

The Cambridge Continuum of Care, which organizes the HSPC, seeks to bring interested people and organizations together to help shape decisions affecting services for homeless individuals and families.
